Appendix to: Use of advance directives by South Australians: results from the Health Omnibus Survey Spring 2012. Bradley SL, Woodman RJ, Tieman JJ, Phillips PA. *Med J Aust* 2014; 201: 467-469. doi: 10.5694/mja13.00175.

Appendix 1: Question about AD use asked of Participants in HOS study

Introductory Statement	An advance directive is a document that expresses a person's wishes or directions in advance in the event that mental capacity is lost in the future. There are currently different documents in South Australia to cover specific areas of decision making (Office of the Public Advocate of South Australia, 2011)
Have you completed any of the following forms for yourself?	a. Power of Attorney (POA for finances) b. Power of Guardianship (POG for healthcare and welfare) c. Will (for after you have died) d.
