

Retraction notice

Nair BR, Moonen-van Loon JMW, Parvathy MS, van der Vleuten CPM. Composite reliability of workplace-based assessment for international medical graduates. *Med J Aust* 2016; 205: 212-216. doi: [10.5694/mja16.00069](https://doi.org/10.5694/mja16.00069).

This article, published in the 5 September 2016 issue of the Journal, has been retracted, with the agreement of the authors, because of an analysis error reported to the Journal by the authors that significantly affected the results and conclusion. A detailed explanation is available at mja.com.au. ■
